Baby Beat

2014

Under Supervision :

**Prof. Dr. Ehab Rushdy
Eng / Mahmoud Mahdy**

Acknowledgement

First and for most, our deep gratefulness, thankful and indebtedness as to the merciful “**ALLAH**” who gave us everything we have and the ability and patience for accomplishing this work.

We wish to express to our profound gratitude to:

Prof. Dr. Ehab Rushdy

We wish to make special mention of the following:

First of all we are thankful of our project guide:

ENG. Mahmoud Mahdi

Special thanks and gratitude to **Our Parents** for raising us up, their great efforts to facilitate our lives and to make us good persons and their encouragement to do what we should do in our entire lives.

Leaned Skills

These words we wrote about personal experience that we gained in small life...

- Challenge every problem face you and don't raise white flag.
- Learn how to work with team before starting our career.
- There is always time..!

But we faced some problems during collecting data
So there are some Things facilitated our mission:

- Our supervisor was much advised.
- The clerks were very helpful.
- Our regimen was high.

- 2-submit : To beloggedin as admin.

If you don't enter E-mail and password , you can't login and this screen will appear:

Admin

About us

The screenshot shows the 'About us' page of the BabyBeat website. At the top, there's a navigation bar with links for Home, Selection, About us, Contact Us, and login. Below the navigation, a large text box contains the following content:

Who are we?

We are dream group in the fourth grade in FCI zagazig faculty we introduce this web site not only as graduation project no , we also try to give the hand to babys who have born with illness . we make our best to make this website to prove to our teachers that we really apperciate the effort of them and thank them for what they taught us and we want them to be proud of us.

At the bottom of the page, there's a logo for 'ZAGAZIG UNIVERSITY' featuring a shield with a figure and the text 'ZAGAZIG UNIVERSITY'. Below the logo, another text box reads:

We are trying to make these **Angels** have a better life.

-About us page:

- The content of this page is containing information about the creators of this site:
- it presents information about the team who develops this
